AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Please replace the paragraph immediately prior to the section titled "BRIEF DESCRIPTION OF THE DRAWINGS" on page 7, with the following paragraph:

a' In one implementation, a policy is imposed on the content referenced by the canonical data format playlist by one or more playlist transformer ~~components~~ components. Although imposing the policy on the canonical data format playlist may result in modification of the playlist, the policy imposition is performed in a manner that is independent of any modification to the non-canonical data format playlist.
